

Are you enrolled in an accredited Master's Degree or higher school of Social Work, Marriage and Family Therapy Counseling, or Psychology Program and are required to complete a Clinical Internship?

Join Mid-Fairfield Community Care Center's Clinical Internship Program Today!

Position Summary: Mid-Fairfield's Clinical Internship Program aligns your educational training with meaningful opportunities for real world experiences in providing mental health services to children, adolescents, young adults, and families. This is an excellent training opportunity where you will work as part of a multi-disciplinary team in a supportive and didactic environment. Under close supervision by highly experienced and licensed clinicians, you will work with a small caseload and provide face-to-face individual, family, and/or group therapies to clients. All of Mid-Fairfield's practices are trauma-informed. You will participate in weekly clinical team meetings and case presentations, weekly individual discipline-specific clinical supervision, and attend weekly intern seminars and other agency trainings.
